

EPP WELCOMES MERGER OF ESTONIAN EPP MEMBERS

05-04-2006

The European People's Party (EPP) welcomed today the decision of the two Estonian EPP members, [Pro Patria Union](#) and [Res Publica](#), to merge.

I am convinced that this decision will reinforce the efforts of Pro Patria Union and Res Publica to take the lead in Estonian politics, EPP President, **Wilfried Martens**, said.

I am confident that the new party will continue the active participation of Pro Pratia Union and Res Publica in EPP fora, President Martens concluded.
