

EPP launches new internship programme

06-12-2006

EPP launches a new internship programme and offers at its headquarters in Brussels internships of three to six months for university graduates of Europe.

The EPP internship is focused on immersing the successful candidates with the short-term and long-term political planning and activities of the Party: organizing meetings and conferences, preparing reports and press releases, editing publications including the 'European View', updating the website and databases, communicating with member-parties, EPP Groups, associations and other affiliated organizations, liaising with officials from the European institutions, etc.

[Detailed information on the internship is available in the 'Virtual Library' section of our website under 'Documents'](#)
