

POLAND: EPP WELCOMES SIGNING OF LISBON TREATY BY POLISH PRESIDENT

10-10-2009

The President of the European People's Party (EPP), **Wilfried Martens**, welcomed today the signing of the Lisbon Treaty by the President of Poland and urged the President of the Czech Republic to do the same:

"As expected, the President of Poland signed today the Lisbon Treaty and formalized the democratic decision of the Polish parliament. Needless to say, everybody expects the Czech President to do the same as the Treaty has, since months, been overwhelmingly ratified by the Czech parliament and Senate. Therefore, I urge the Czech President to complete the process as soon as possible so that his country and the EU can move forward," EPP President Wilfried Martens stated.
