

EPP REITERATES ITS PROMISE TO FIGHT AGAINST TERRORISM

11-03-2008

To mark the European day in memory of the victims of terrorism, the President and the Secretary General of the EPP, **Wilfried Martens** and **Antonio López-Istúriz**, have reiterated *“our strong commitment to fight against any kind of terrorism.”*

“Terrorism is one of the most serious challenges because terrorists always try to destroy the most important values: freedom, prosperity, security and democracy. The EPP has always backed the available measures to tackle this challenge at European level and we will continue to do so in the future,” stated Martens and López-Istúriz.

“Today, we especially want to remember the 192 victims of the biggest terrorist attack on European soil, in Madrid (Spain) on 11 March 2004, and express our solidarity with their families and the Spanish people,” they concluded.
