

EPP SHOCKED ABOUT MASSACRE IN GERMAN SCHOOL

11-03-2009

EPP President **Wilfried Martens** is shocked about yesterday's massacre in a school in Winnenden, Germany state of Baden-Württemberg. 16 people were killed.

"Our thoughts today are with the families of the victims who suffer from terrible grief because they lost their dear ones," the EPP President said. *"My solidarity is also with Günter Oettinger, the Prime Minister of Baden-Württemberg and Angela Merkel, the German Chancellor."*

"This is another terrible incident in a school which shows that something is going wrong in our societies. We must stand up against this kind of blind violence and ask ourselves about the values which we educate our children with," Martens said.
