

EPP EXPRESSES SOLIDARITY WITH THE VICTIMS OF 9/11

11-09-2006

The President of the European People's Party (EPP), Wilfried Martens, has expressed his solidarity with the victims and their families of the attacks of 11th September 2001 on New York and Washington, as well as with the U.S. authorities.

As we did five years ago, the EPP strongly condemns these terrible attacks and those against the peoples of other cities such as Madrid or London. Once again, we have to remind that there are no reasons, justifications or excuses for any kind of terrorism, President Martens stated.

The EPP will always maintain its fight against terrorism by supporting the measures adopted by the European Union (UE) and by promoting our values: respect for the human rights, the rule of Law and democracy, he added.
