

## PRESIDENT MARTENS SUPPORTS BURMA

16-02-2005

EPP President Wilfried Martens welcomed the declaration of the Luxembourg Presidency on Burma/ Myanmar, which responded positively to tangible signs of the country's progress and its commitment in favour of poverty alleviation and of the promotion of democratization. *This is an important step for Europe in reaffirming its solidarity to the people and the democratization process of Burma/ Myanmar. Needless to say, the European People's Party is completely aligned with the declaration of the Luxembourg Presidency,* Martens declared.
