

17 FEBRUARY - EPP and EDS urge to work for a solution to Cyprus before May

17-02-2004

The European People's Party (EPP) and the European Democrat Students (EDS) support the new initiative of the Secretary General of the UNO for a comprehensive settlement of the Cyprus problem and urge all parties concerned to work for a just, viable and sustainable solution before 1 May 2004, based on the principles and values of the European Union.

In this regard the EPP will follow closely the developments and requests that the European Union actively participates in this process assisting both parties to ensure that the solution will be compatible with the European acquis."
