

## RESULTS OF EPP/COR PHOTO COMPETITION

20-05-2008

The European People's Party (EPP) Group in the Committee of the Regions (CoR) held a photography competition for young Europeans called "Europe@Home: Europe starts in our communities". Through this contest the EPP Group aimed to encourage young people to show their ideas about the European Union and integration. Over 150 photographs were submitted from 22 of the EU member states.

This initiative is to support the information and communication strategy and the Plan D for Democracy, Dialogue and Debate of the EU which focus on making the Union more democratic and open. The contest was introduced on the eve of the celebration of the 50th anniversary of the Treaty of Rome, starting the European integration.

This photograph won first prize, and the other winning entries can be seen on the website: [www.epp.cor.europa.eu](http://www.epp.cor.europa.eu), and will also form part of an exhibition during the EPP/CoR Summer University for local and regional journalists, which is taking place in Brussels on 10 and 11 June.
