

## PRESIDENT W. MARTENS COMMENTS ON THE JUNE 2004 ROMANIAN ELECTIONS

22-06-2004

The results of the Romanian 6 June local elections and 20 June election runoffs, reflect the great inroads that our EPP member parties have made in promoting our values in local societies of Romania stated President Wilfried Martens. Although there is still a long way to go, I am confident that the election results will have a catalytic effect in developing a viable, like-minded, Romanian civic platform, that will inspire and mobilize Romanian society as a whole.
