## Moldova: EPP President congratulates success of Prime Minister Vlad Filat

Brussels, 30 November 2010

The President of the European People's Party (EPP), **Wilfried Martens**, congratulated last night by phone Prime Minister **Vlad Filat** for the success of his party, the PLDM, in Sunday's general elections in Moldova. According to the final results, the PLDM increased its seats from 18 to 32:

"These elections have given a strong signal that Moldova wants to leave behind its communist past and focus on its European future. The reforms initiated by Prime Minister Vlad Filat should continue and, ultimately, lead Moldova to an association agreement with the European Union," stated President Wilfried Martens who campaigned last week in Chişinău with PM Filat.

"PM Filat and his party share the values of the EPP and we will support his efforts in putting Moldova on a European path. To achieve this, it is crucial that the 'Alliance for European Integration' remains united," the EPP President added.
